CAN YOUR OWN BEER!

The **TAPPER** is a 32-ounce can of your favorite beer, sealed tightly onsite. The machine seals the top and then it becomes just like a beer can. It will be available in all drafts. The **TAPPER** is perfect for taking home some of the craft beers you enjoyed at the Tap House.

It is easily transportable and they stay fresh until you crack them open. Throw it in your refrigerator or backpack and it will taste just as amazing as it did when it came from the tap.
